Fun Summer Programs!

Sunday July 11th @ 10:30 a.m.
Books, Books, Books!
Host ~ Arlene Kelland

Have you got a favourite book? Do you remember a special book you treasured as a child or teenager? What book has influenced you as an adult? The Bible and other Holy books often are valued, even if the owner is not religious. Books are very special and treasured by many. Bring a special book to share, or not, and join Arlene to share in the love of books.

Sunday July 25th @ 10:30 a.m.
"The Good Society"
Host ~ Steve Watson

This morning Steve will lead a discussion about what a good society would look like, explore the differences between up-stream and down-stream solutions, show a video that illustrates how short term and long term solutions can be combined, compare the world's real needs with how money is actually being spent by governments and societies, and lead a group activity to further explore if we have our priorities right.

Sunday July 18th @ 10:30 a.m.
"Oz and NZ"
Host ~ Dorothy De Haas

Dorothy was fortunate to have spent the month of February, 2009, in Australia, Tasmania, New Zealand and Fiji. Her DVD documents highlights of this remarkable trip, two weeks of which was spent aboard a Cruise Ship sailing from Sydney, Australia to Auckland, New Zealand. You are welcome to join us, "downunder" on Sunday, July 18.
